

PLAY HOUSE PROJECT

Inspiring homeownership
at an early age.

You can inspire homeownership at an early age!

Sponsor a playhouse build with Habitat for Humanity of Fulton County, Ohio.

What You'll Get...

Before your Build Day, you'll get to design a playhouse around a local child's favorite colors and themes. On your Build Day, your team of 8-10 volunteers will be guided by Habitat Playhouse Pros through the entire process of painting, assembling, and putting on the finishing touches in about 5 hours.

Then you'll present it to the family!

You won't need to bring anything. Habitat provides basic paint colors, supplies & tools. Habitat encourages sponsors to add special custom touches according to the child's liking (not included in cost).

Playhouse Builds are highly publicized, which means sponsoring a playhouse provides marketing and promotion for your organization.

What You'll Give...

"Playing house" is often the first time kids think about what it means to have their own home. Many of these children would not have this wonderful gift without your sponsorship.

"Little houses build big houses" - Habitat in Fulton County, Ohio will gain funding through Playhouse Projects to build and repair homes, serving local families in need of stability and independence.

***Teambuilding**

***Supports affordable housing locally**

***Fosters leadership, development, and creativity in children**

***Creates community connection & outreach**

Organizations can fundraise to participate! Ask for help organizing your peer-to-peer event.
